1. Introduction

The European Commission is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data in the context of DG AGRI'S Contribution to the European Year of Youth: School Scheme conference and Vocational education and training in Agriculture & the Green Deal organised by the European Commission. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to meetings and events, organised by AGRI F.1, is presented below.

2. Why and how do we process your personal data?

Purpose of the processing operation: AGRI F.1 collects and further processes your personal data to provide you with information about the event (before, during and after) and to process your application for participation in that event.

The conference will be a physical conference.

Live web-streaming and audio-visual recording at the event of the speakers, organisers and participants, as well as photographs of the speakers and panoramic photographs of participants and organisers will be taken and published in the context of the event on the conference website or the European Commission's website and social media accounts.

Participants that do not wish to be part of the above web-streaming and recording/publishing activities have the possibility to object to processing. They should inform the conference organisers by email (AGRI-CONFERENCES@ec.europa.eu).

Your personal data will not be used for any automated decision-making including profiling.

3. On what legal ground(s) do we process your personal data?

The processing operations on personal data, linked to the organisation, management, follow-up and promotion of the meeting or event (including web-streaming, photos, audio-visual recording) are necessary for the management and functioning of the Commission, as mandated by the Treaties. Those provisions are in particular, Article 11 of the Treaty on European Union and Article 15 of the Treaty on the Functioning of the European Union. The conference is organised in the framework of external communication activities carried out on the basis of Articles 6 and 45 of Regulation (EU) No 1306/2013.

Consequently, those processing operations are lawful under Article 5(1)(a) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Union institution or body).

The processing operations on personal data of the speakers for the meeting or event with whom a contract is concluded, are carried out in line with the contractual provisions. Consequently, that processing is necessary and lawful under Article 5(1)(c) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract).

- the processing of your personal data for inviting you to future events the data controller may organise;
- the processing of your personal data for managing your subscription to a newsletter of the data controller.

This data will be deleted immediately after the event unless the meeting organiser is recording or collecting this information for further use.
- the processing of dietary and access requirements, if needed, to ensure that you receive the necessary accommodations.

If you opt-in, you are giving us your explicit consent under Article 5(1)(d) of Regulation (EU) 2018/1725 to process your personal data for those specific purposes. You can give your consent via a clear affirmative act by ticking the box(es) on the online registration form.
